

# CHANNEL CONNECTOR SK HCP

## APPLICATION

Channel Connector for easy and safe extension or joining of Channels on site or for pre-assembly in workshops. The overall design ensures there is no static weak point near the Channel Connector when connecting single channels. For single channels, the figures for channels are applicable.

## SCOPE OF DELIVERY

Holding Brackets 41 and Hexagon Bolts are supplied in bulk.

## INSTALLATION

To guarantee the static values, the supplied elements have to be used. For extension of double channels, see advice brochure "Installation Guidelines".

## TECHNICAL DATA

Material: Steel, HCP.
