

DUCTING CLAMP PLU 2G-N

APPLICATION

Two-piece pipe clamp for simple installation of spiral-seam ducts.

SCOPE OF DELIVERY

Clamping bolts are pre-mounted and retained. Pivot screw for safe and simple assembly with quick-set clip, suitable for "single-hand" mounting. Easier handling and better storage possibilities due to optimized packaging.

INSTALLATION

Tighten upper part of the pipe clamp without the interfering lower part.

Hook the lower part, provided with a keyhole, into the fixed clamping bolt (see picture). After mounting of the pipe and locating into the pivot screw, the clamping bolt is fixed behind the bending; then tighten clamping bolt with max. 2 Nm.
